DEPUTY COMMISSIONER'S OFFICE. 3 FEB. 1930 HASSAN.

Sir

I have the honor to enclose a copy of the resolution passed by the District Board of Hassan at its meeting held on 30th November and 1st December 1929, in the matter of increasing the number of members to be selected from Alur Sub Taluk to represent it on the District Board, and to state that Alur Sub Taluk is an important Malnad area, with the prospect of being converted into a pukka Taluk in the near future, and is just as important as Hole-Narsipur Taluk of this District. In matter of area, population, Revenue, etc., Alur Sub Taluk appears to be just the same as Hole-Narsipur Taluk though the latter happens to be a Taluk with the right of returning three members to the District Board. Moreover Alur Sub Taluk contains much of Malnad area and seems to merit special attention.

The District Board also resolved, on a consideration of all circumstances that a representation be submitted to Government for permitting this Sub Taluk to return at least 2 if not 3 members to the District Board like all the other Taluks. The District itself being a small one with seven Taluks one Sub Taluk but partly Malnad and partly Maidan, I request that the representation made by the Representative
